Signing, Lighting & Guarding Unit 2 (Operatives)

This course will provide Operatives with the skills and knowledge to perform their respective duties when signing, lighting and guarding to the standards prescribed by City & Guilds and in line with the NRSW Act 1991, in order to safeguard themselves and others.

Who should attend? This course is for Operatives who have to erect or monitor the erection of signing, lighting and guarding for work on the roadways and highways.

Course content:

- New Roads and Street Works Act 1991
- Basic principles of signing, lighting and guarding
- Traffic control measures
- Practical use of the Code of Practice
- Practical use of equipment

Materials: A high proportion of discussion and simulated assessments supplemented with video and classroom based tutorials and progress tests. Please note Operatives will be assessed by way of practical tests and oral questioning.

Intended outcomes: By the end of the course delegates will be able to:

- Understand the basic principles of the NRSW Act 1991 and standards prescribed by City & Guilds
- Identify and use correct traffic control measures
- Erect and dismantle signing, guarding and lighting safely and in accordance with the supporting Code of Practice
- Correctly and confidently operate the equipment used

Additional Information

Upon successful completion delegates will receive City & Guilds unit accreditation by way of a certificate. In-house ID cards may be issued upon request.

Duration of course: 1 day
