Telecoms Climber Passport

This course is for candidates who wish to take up field based roles within the Mobile Telecoms industry. The programme combines all of the standard courses required for future / existing employers as well as the minimum requirements to access sites.

Pre Requisites: No previous knowledge required. All candidates must be physically fit (a 13m open structure climb forms part of the course), and free from any medical condition that could prevent them from climbing.

Course content: Please refer to individual course information sheets for detailed breakdown of content. The course covers both theory and practical elements for each of the following subjects:

- Advanced Climber
- Tower / Structural Rescue
- Roof Top Access (Worker)
- RF Safety Awareness
- Level 2 Award (QCF) in Emergency First Aid at Work (Incorporating @ heights)

Duration of course: 5 days

Materials All delegates receive course handouts.

Intended outcomes: Successful candidates will be issued with a certificate and ID card covering their training, valid for a period of 3 years (excludes Tower / Structural Rescue which is valid for 1 year)
